

# Physician Group OF ARIZONA, INC.

Patient Name (last, first, MI):	Date of Birth (mm/dd/yyyy):	Medical Record #:
---------------------------------	-----------------------------	-------------------

As either the Patient or the legally authorized representative of the Patient, on behalf of the Patient receiving care in this Physician Group of Arizona, Inc., (PGA) Facility, I make the following consents, understandings, and agreements on my own behalf and on behalf of the Patient in partial consideration of health care services to be provided to the Patient in the PGA Facility, including IASIS Healthcare and its affiliates.

**Consent for Services:** I hereby give consent to the Facility, its contractors, physicians, and employees to provide health care services to the Patient and to administer physician orders for the benefit of the Patient for this visit and any subsequent visits. I understand this consent may be revoked in writing at any time. I understand that there is a risk of substantial and serious harm involved in such health care services, and I accept such risk in the hope of obtaining beneficial results from such services. No promises of any particular outcome or successful result have been made. I understand and accept that there is some uncertainty involved in the health care services for which this consent is given. I understand that physicians are separately responsible to explain what they do and, in some cases, to obtain separate consent for services they perform.

**Assignment of Benefits:** Any and all benefits from insurance companies and other third party payors that are payable to the Patient or on behalf of the Patient for health care services and related payments for services rendered or provided to the Patient are hereby transferred and assigned to the Facility for the exclusive purpose of paying for charges associated with the health care services provided to the Patient in the Facility. I understand and intend that all insurance companies and other third party payors will pay benefits directly to the Facility in payment of the Facility's charges and the charges of any other health care providers for whom the Facility is authorized to bill in connection with health care services provided to the Patient.

**Financial Responsibility:** Patient and the undersigned, if other than the Patient, each jointly and severally agree to pay for all the health care services rendered to the Patient in the Facility including but not limited to any amounts not paid by any insurance company or other third party payor (excluding contract discounts). Patient and the undersigned, if other than the Patient, remain responsible for all copayments, deductibles, co-insurance, and/ or non-covered services regardless of amount paid by insurance or third party payor. I understand and agree that any amounts not paid within 30 days of the date of the Facility's bill or statement for payment shall accrue interest at the rate of 1.5 % per month (18% per year) on the unpaid balance. In the event that any unpaid balance is placed with a collection agency or attorney for collection, Patient and the undersigned, if other than the Patient, each jointly and severally agree to pay a 20% collection fee, all costs and reasonable attorney's fees in connection with the collection process. A service charge may be collected in connection with any check or other instrument tendered by the Patient or the undersigned but returned unpaid to the Facility. Patients that present as self-pay will receive a discount on specified services when services are paid in full on the day of visit.

**Medicare/Medicaid/Tricare Patient's Certification:** I certify that the information given by me in applying for payment under the titles XVIII and XIX of the Social Security Act or in connection with any other government program is correct. I authorize any holder of medical or other information about me to release to the Social Security Administration, other intermediaries or carriers, or the State any information needed to process a claim for this or any related service. I request that payment of authorized charges be made in my behalf directly to the Facility for its charges and for any charges of physicians or other providers for whom the Facility is authorized to bill in connection with its service.

**Release of Information:** The Facility is required by law to make and keep records of the Patient's medical treatment. The Facility safeguards those records and it uses and discloses such records and information they contain only in accordance with the State and Federal privacy laws. Such uses and disclosures are described in detail in the Facility's Notice of Privacy Practices, which may be amended from time to time. I understand that either the Patient or I may ask to see a copy of the current notice at any time.

The following applies if initialed at the end of this paragraph: Because of the Patient's strongly held religious beliefs, this consent does not include consent to administer blood or other blood products unless the Patient subsequently agrees otherwise. The Patient understands that this limitation may cause some health care providers to decline to provide care, and may, in the opinion of some providers, adversely affect the outcome of the care.
